

Dear Father,

Thank you for being open to learning about Millions of Monicas. We are a prayer ministry of women who pray for the joyful return of our children to full unity with our beautiful Catholic Faith. Our mission is to encounter God through prayer for our children and ourselves; to grow in holiness and humility.

What we are:

- Weekly prayer ministry that began in Grand Rapids, Mi June, 2021
- Purpose is to pray for the joyful return of our children to full unity with our beautiful Catholic Faith
- Prayer ministry (preferably before the Blessed Sacrament) in church or chapel
- Not a support group
- No sensitive information shared
- Utilizing all forms of prayer; sung prayer, lectio divina, meditational, devotional, written and contemplative

Many parishes have begun Millions of Monicas in part because of its simplicity and humility. It has been described as an oasis of peace by many women. Surrendering our loved ones to our Lord helps not only the children being prayed for, but also transforms the hearts of the mothers in their sadness.
